7	I'm not sure either currently exist	2/12/2020 9:05 PM
8	I drive 20 minutes one way for daycare for my kids	2/11/2020 1:04 PM
9	None of these items are adequate for a "city". These options are reasonable for country life or a township, but an incorporated city needs to be able to provide these services in greater numbers, efficiency, and options.	2/11/2020 8:38 AM
10	Not advertised enough when available	2/10/2020 2:42 PM
11	We could use few more police. Fresh veggies, fruit would be great	2/9/2020 1:53 PM
12	There is only a park and ride for transportation in the area near me. I think mainly the senior community could use help in transportation.	2/8/2020 11:42 AM

18	Police protection is not visible where I live, I've never seen a patrol. There are no fire hydrants in my neighborhood. There is no public transportation that I am aware of in Rice Lake. With few day care options we drive our kids into town for care.	2/4/2020 8:38 AM

22	I believe the AEOA bus is available (??) and the bus stop on Calvarybut other than that I guess there isn't any public transportation	2/3/2020 2:48 PM
23	Because of the rural nature of our community, hydrant access is limited not allowing the fire department an opportunity for successful outcomes. I understand and accept that as a cost of living in a rural setting.	2/3/2020 1:17 PM
24	I don't know of options without doing research for what was marked as fair or poor. To be good or above, one should know about such services.	2/3/2020 12:56 PM
25	There is no Public Transportation where I live.	2/3/2020 12:27 PM

27	Where are the Rice Lake Farmers Market's?	2/3/2020 10:50 AM
28	Since their are only three or four farmers markets in the Duluth area (none in Rice Lake), and each is only open a few hours a week, the only possible rating is "Poor".	2/2/2020 5:21 PM
29	Not available in my area if not checked (rural)	2/2/2020 3:56 PM
30	Too spread out. Basically invisible.	2/2/2020 3:13 PM

1	Pet control, less restrictive building and zoning regulations	2/25/2020 6:24 PM
2	High school closer to Rice Lake. City water and sewer for all.	2/21/2020 3:49 PM
3	More public transportation, bike routes	2/17/2020 1:15 AM
4	hope the community remains small and quaint for the future don't think anybody chose to live hear to see booming business and large population lets keep it that way for future generations	2/15/2020 1:14 PM
5	lower taxes. keep population down.	2/15/2020 12:47 PM
6	permanent preservation of green space, non-motorized recreational opportunities, improved public transportation along with decreased dependence on fossil fuels- the goal should be to have a carbon neutral city in the very near future complete with electric charging stations	2/12/2020 9:05 PM
7	I would like to see the city improve infrastructure, not just the municipal buildings and personal agendas of the board. Since incorporating ditch mowing, snow plowing, and general road maintenance has dramatically decreased. Nothing seems to have been done to improve technology such as internet or cell service, yet property taxes (by way of increased "property values") has continued to increase each year. The only improvements I see are to the owned buildings and parking lots of the city. It is great to have kwik trip in the area, which saves many additional trips to town, and provides options the local small places I would prefer to support just didn't offer. Hopefully it will attract other business, restaurants, and businesses to considering moving outside of Duluth or Hermantown to help pay the costs for improving the infrastructure. Rice lake road and Martin road need to be expanded to attract these businesses and make the commute safer and quicker.	2/11/2020 8:38 AM
8	Definite walking trails or sidewalks; Senior housing.	2/10/2020 2:42 PM
9	Change will come for certain. Plan now in a size that will be large enough to handle the change.	2/10/2020 2:28 PM

11	It would be appreciated by the residents in rice lake to be informed when there are major things being voted on. Not all of us can make it to the weekly meetings. One example is hiring a sheriff we didn't need and now costing us a lage amount of money we could have used elsewhere. We like the city as it is, and was our township. Avoiding the annexation was the reason for becoming a "city", we like our country life and community now, that is why we live here. Not growth by apartments, businesses ect. Our taxes are high enough	2/9/2020 12:57 PM
12	Road repairs and improvements	2/9/2020 9:13 AM
13	Rice lake needs to stop spending money on frivolous items like you doing currently doing You replaced Gary with three people Not cost effective The work just drives around in circles most days Is rice lake better than before Gary no!	2/8/2020 5:35 PM
14	Been here ten years and love it! Thank you all for building such a wonderful community!	2/8/2020 12:53 PM
15	I would like to see some more businesses out here. I am not sure what most people would be looking for, since most things I would on just a quick trip, are close. While it's not located in Rice Lake, I am close to Woodland and Kenwood areas. That provides banking, pharmacy, grocery, take out and sit down restaurants. I am sure that these are things people may be looking for within our city as well.	2/8/2020 11:42 AM

25	Rice Lake needs to build on what we are, a small city, with people building there homes on land they have, and enjoying there low taxes, and resonable city services.	2/5/2020 10:28 AM
26	Better internet service	2/5/2020 9:38 AM
27	Keep it rural or country living, invest in developing residential both existing and new. Large private lots, quiet, minimize light pollution do not make Rice Lake Just another suburb	2/4/2020 9:56 PM
28	If ISD 709 decides to send our children out west to school rice lake should have their own school.	2/4/2020 8:55 PM
29	Internet, trails and road upkeep.	2/4/2020 8:23 PM
30	I believe there should be another option for internet service in the city of Rice Lake. I would also like to see better parks, community buildings, and options for alternative transportation like hiking, and biking.	2/4/2020 7:41 PM
31	Great job with snow removal. Looking at budget in flyer, I noticed that there were grants from city and county sources. Why not federal? Infrastructure is key. Roads are in tough shape. Other than arrowhead transportation, DTA would be good to coordinate with to extend routes. Develop a buy back program to encourage junk removed from properties. I think a farmers market is an excellent idea	2/4/2020 12:00 PM
32	Look forward to seeing the city grow. While city sewer and water would be nice I'm concerned about the cost and how to afford it. Internet service is our first need, getting 2.5 to maybe 5 mbs in today's world is very poor. I would appreciate closer shopping opportunities especially grocery items.	2/4/2020 11:19 AM
33	expand water and sewer	2/4/2020 10:45 AM
34	Stay away from public housing!	2/4/2020 10:18 AM
35	Larger lot size is important. People live in Rice Lake so that they are not right on top of their neighbor. Expanding infrastructure (internet, public sewer and water, paved roads) are important for the future of the city.	2/4/2020 8:38 AM
36	Need high speed internet and natural gas run throughout the city in the next five years.	2/4/2020 7:46 AM
37	I bought my house in Rice Lake because of the gravel roads, trees, large lots, no public utilities and proximity to Duluth. Please plan the city for working families that can afford their own homes and their own cars. Please restrict Industrial Sprawl and keep the houses spread apart.	2/4/2020 6:31 AM
38	City sewer but it should not take 20 years	2/3/2020 3:46 PM
39	I am happy with the size and amenities we currently have in Rice Lake. I hope we stay rural and small. I feel people who are looking to build would consider Rice Lake. One issue we have is the unsightly junk piles of accumulated cars/implement some people have. This unfortunately is an eye sore. I grew up in rural Minnesota and local communities created mandates with time tables on these issues. An organized cleanup ordinance with some assistance to those who can't afford a major clean up would be welcome.	2/3/2020 3:07 PM
40	Affordability, attracting all age groups, catering to all walks of life - young & old - making the City "A Place to Call Home"	2/3/2020 2:48 PM
41	For myself I would hate to see our city turn in to the next Hermantown. I like our slow pace and rural setting without a lot of government intrusion. I do not need to be on Duluth's sewage treatment system or water supply. If it were up to me I would leave things be the way they are. By the way, we use Century Link for our internet provider. It is wireless and fast enough to run multiple devices without buffering. It costs about \$60/month.	2/3/2020 1:17 PM

42	It would be nice to have some commercial property in the city, but it would need to compete with places in Duluth and Hermantown.	2/3/2020 12:56 PM
43	I would like to see Rice Lake develop slowly and keep the taxes down unlike our neighbor Hermantown.	2/3/2020 11:23 AM
44	Start with a solid foundation. Hire a "good" grant writer to help bring in funds for city needs. Communicate "1" place for residence to find out information - City Website, newsletter that refers back to the city website. Social media should also refer back to the city website etc. Set the Cities zoning sites. Begin to identify areas of land that are available for the building based on the zoning, i.e. residential, industrial, townhome/apartments. Layout the existing policies is there enough personnel to enforce these. i.e. junkyards (clean up the look of our city). How do other cities deal with this, we don't have to start from scratch. Be transparent with building permit requirements and timing for zoning areas. Start marketing available sites.	2/3/2020 10:50 AM
45	Now that we are a city , don't get carried away with upgrades by trying to be like the big boys . Realestate taxes are my biggest concern with living here , mine are very high now and increasing at a very fast rate . Somehow costs need to be lowered not raised	2/3/2020 6:30 AM
46	If it ain't broke, don't try to fix it. Affordable housing always leads to worse problems that require more public spending for law enforcement and social services.	2/2/2020 5:21 PM
47	Good luck.	2/2/2020 3:13 PM
48	- I purchase items like appliances and home goods in Hermantown - neither close to home or work Having better options for grocery would be nice, like a bigger farmers market, deli or bakery. We currently drive to Mount Royal or the Coop for much of our grocery I really miss having sidewalks and streetlights for walks in the neighborhood. Arnold road and calvary are a death trap for walkers/bikers I'm really excited for boomtown to open!!! - We are very concerned about Homecroft school area being re-located from East highschool to Denfeld. We will move or send our kid to other school options (Marshall/Edison) over driving/bussing all the way across town to Denfeld We wish there were more ways to meet the neighbors in this area. We've met 2 neighbors in the 3 years of living hereNextdoor neighbor is somewhat helpful for that feeling of safety and connectivity. Thanks! Mostly we love our little house in the woods here.	2/2/2020 2:56 PM

50	Get rid of dog licenses. It's an unneeded tax.	2/2/2020 10:13 AM
51	Really hoping we don't turn Rice lake road into a hermantown road full of ugly commercial buildings. We didn't want to live in Hermantown, we wanted to be where it's quiet.	2/2/2020 9:35 AM

54	Clean up the properties that have yards filled with trash and junk !!!!!!!!!!	2/2/2020 6:40 AM
55	Please don't make this great community the next Hermantown. The taxes are sprawl destroy the community's essence if you do. Understand the beauty of our cool community. Not many like it anymore. It's a great and simple value.	2/1/2020 9:51 PM
56	Continue to be a great place to live	2/1/2020 9:03 PM
57	Please please please do not become a miniature version of Duluth. That city is poorly governed! Seeing ammenities like good internet and infrastrucure like city sewer and water for all who want it. Maybe work on why taxes are rediculously high and get those down.	2/1/2020 8:21 PM

63	Get decent internet service that won't cost too much for retirees. Keep the rural quality of life and limit commercial development. People move out to this area to get away from commercial development and want quality air and water.	2/1/2020 11:38 AM

66	Be smart. Dont get sucked into media politics. We own a gem. Beware of the social aggendas to change it	1/29/2020 7:05 PM
67	I think that Rice Lake is declining. There really isn't much to do, the jobs are mostly part-time and don't pay enough to match the housing costs. This is more of an issue for private landlords, however. I think there needs to be more affordable housing options available in this area. I think there should be more areas to walk and exercise to supplement community health.	1/29/2020 6:40 PM
68	Healthcare clinic	1/29/2020 7:39 AM
69	Rather than blame citizens for not attending meetings, break the silence by putting it all out there, RI newspaper, Facebook, the neighborhood site, agenda items etc. Etc especially issues that the citizens would have a concern for. Long history of not sharing when there are so many ways to share info. The entire community shouldn't have to attend meetings to learn about there city's goals. Ex. Hiring a police officer? Believe me. If something of concern comes up, people will come. Shouldn't find out after the fact	1/28/2020 9:55 PM
70	Please keep our community small. We live out here because we wanted a rural community. We want to live next to neighborhoods who own their property, not rent. To build we should require 10 acres.	1/28/2020 8:19 PM
71	I do not want growth, I moved out to Rice Lake for peace, quiet & privacy. If I want something, I will drive into Duluth. I will be very upset if more development moves down (north) Rice Lake road!	1/28/2020 5:56 PM
72	We need to figure out how to stop the boundary lines from changing!!! Or start a middle school and high school. Rice Lake Wolves? Or Yeti's?	1/28/2020 3:55 PM
73	I would love to have more businesses so we don't have to leave the area once we come home. It would be nice to have area restaurants that are closer. Would love more activities for kids as well.	1/28/2020 2:27 PM

78	Please suppress to temptation to grow dramatically. Keep minimal parcel size at 5 acres where possible. Remain vigilant about issues with ISD 709. They will continue to present major threats to Rice Lake property values.	1/15/2020 10:09 AM
79	I grew up in Rice Lake, where you knew your neighbors and the city left you alone. I want to raise my children here, but the increase in large business and bus lines will bring in less than ideal people and make our community less and less safe. I don't want to live in a large city which is why I chose to buy my home here and raise my kids here. Keep it small and simple. our property taxes have gone up \$1200 in 4 years. If things keep going we will be forced to sell our house and move further out to gnesen or normanna.	1/8/2020 2:16 PM

83	Not to over crowd our community. Do something about the drug problem.	12/10/2019 10:46 AM
84	I am excited to see Rice Lake grow its retail and/or industrial sectors. We have a lot of space to capitalize on and can draw a lot of interest from new visitors and residents by expanding those areas.	12/9/2019 4:23 PM
85	I am happy living in a small community. I recognize the need for housing and other amenities but I am not in a hurry for Rice Lake to grow for growth's sake.	12/9/2019 2:50 PM
86	Rural, uncongested, family centered not business centric. Keep development out if Rice Lake. Why do you keep pushing residential rural living out further. Development always increases taxes.	12/9/2019 1:40 PM
87	If we wanted to live in a city, we would have bought a home in Duluth. We didn't and don't. We have lived in Rice Lake since 1987 at two different locations. The house we live in now we had built in 2001. Our property tax bill next year with be \$6,300. What will it be in 20 years if Rice Lake adopts a comprehensive plan?	12/8/2019 8:07 AM
88	Rice Lake is a great, family oriented place to live. We should focus on replacing our aging infrastructure while updating and keeping our city technologically relevant, preserving our parks and public recreational lands, and keeping the small town appeal our city provides. We have the luxury of living so close to Duluth, Hermantown, and Superior which provides many options for retail and services. There should be some focus on enticing some retail and services, however we should be mindful not to lose our small town identity, rural living as well as our parks and recreational public lands.	12/3/2019 9:18 AM
39	Maintain the rural quality of life, generate revenue through improvement and growth of the commercial corridors (East Cav and Rice Lake Road especially by Martin Road and south), enforce and improve rules and regulations regarding unpermitted junk yards, develop a forest fire mitigation and response plan.	12/2/2019 10:39 AM
90	don't over regulate what you can do on your own property. expand public water and internet service for home business and home owners	12/1/2019 6:30 PM

96	FOLLOW CITY OF HERMANTOWN "PRO GROWTH"	11/11/2019 1:07 PM
97	I think those managing the affairs of the City are doing a great job, however I don't want the property tax increases force me out of the home I have lived in for 45 years. I also would like to see more control of what residents can do on their property. To many shipping containers moving on properties and those portable canvas canopy garages. Are there regulations for the amount of piles of dirt that can be hauled in on properties. Lots of eye sores of this type, properties with a lot of vehicles, ie: off road trucks etc. How does the City regulate this type of activity.	11/10/2019 3:28 PM
98	Need public transportation	11/6/2019 12:10 PM
99	Upgrade the roads . Get more business's to help keep the people and money in Rice Lake.	11/5/2019 8:52 PM
100	I hope that it will keep its rural heritage and a small town feel as it grows. Having enough land to have some privacy is also important to me and my family. Please BETTER INTERNET!!	11/5/2019 5:02 PM
101	Rural community. Large parcel size. Ability to view the stars at night without interference from commercial and industrial light growth. A community center where family activities are frequent. Low traffic congestion. Residential neighborhoods without business growth.	11/4/2019 12:45 PM

105	reduce light pollution reduce noise pollution reduce business in neighborhoods reduce traffic congestion Keep our rural community rural; there is sufficient services in adjacent communities.	10/25/2019 1:58 PM
106	I have very mixed feelings about this. Yes I would like to see Rice Lake grow and prosper . But at the same time it will change it from being a small friendly community to something I am not sure will be that anymore.	10/24/2019 3:13 PM
107	That high speed internet would be available- currently using very slow satellite internet. Would be awesome to have more bike lanes, COGGS bike trails going north, and a fitness center/community center with pool and a hockey rink- perhaps Rice Lake's own youth team. Currently takes 25 minutes to get to either downtown YMCA or Hermantown YMCA. 1 hour just to get there and back home is too long when you have a young family.	10/24/2019 12:48 PM
108	Let the community evolve as uses present themselves	10/24/2019 6:59 AM
109	Keep rice lake a likeable place to live make some of the houses more appealing get rid of the garbage. And if a person is running a small business from a home area and it isn't a nuisance let them be	10/23/2019 8:53 PM
110	Please just don't raise the taxes. We constantly talk about leaving Rice Lake because of the amount of property taxes we have to pay.	10/22/2019 7:59 AM
111	Increase development for new construction, Identify a corridor for business development.	10/21/2019 7:43 PM
112	My future vision is for all residents to take pride in their homes and yards. So many are shabby looking and disheveled. Residents definitely need to clean up their trashy places and stop bringing junk home to display to everyone driving by.	10/21/2019 3:13 PM
113	Do not want to live in large city with high taxes	10/21/2019 12:57 PM
114	Small housing, guest housing, farm/rural, less regulations. Do not want to be another Hermantown.	10/21/2019 11:25 AM
115	Rice Lake needs to make their residents clean up their yards and property. Too many of them look like a dump site, especially some along the Tischer Road and the Arnold Road.	10/21/2019 6:44 AM
116	The junk yard located at 5561 Arnold Road absolutely needs to be cleaned up. It is an eye sore and an environmental danger. In addition, it's bringing down the property value of everyone who has the misfortune of living next to, or across from, the garbage dump they call a yard. Please do whatever is necessary to make the homeowner clean it up!	10/20/2019 5:30 PM
117	Need to clean up all the private dumps in city.	10/20/2019 12:32 PM
118	We live here because of the rural community. We love our neighbors but like the space and freedom more land and fewer houses provide. I would seriously consider moving out of this city if we built an apartment building. We do not need to bring city life and crime to this wonderful neighborhood. Renters do not treat the area as there own and give it respect like home owners do. Thank you for taking the time to ask your community what matters.	10/19/2019 9:29 PM
119	I would like to see it protect the farms existing and not overdevelop the land. I have seen Esko and Hermantown develop the old farms and there needs to be land available. Not just developments all over the place. People live out here to have a sense of country without being to far away from the city(mall area) yet still be able to have country living.	10/19/2019 9:31 AM
120	Hopefully larger shopping opportunities without as high a city sales tax, such as Duluth or Hermantown's city tax.	10/18/2019 12:17 PM
121	Simply put, use your COMOMN SENSE on Land Use, Natural Resources and generally Community Over Crowding. Be Friendly and not punishing and threatening as you are/were to my household. I fear for what our city leadership will do to the people next.	10/17/2019 5:20 PM
122	I don't see Rice Lake changing much due to the lack of developable land or affordable land. Tax base likely not big enough to do much for major changes. Rural large lot areas vary from the smaller lot areas with city services. Those differences will always make Rice Lake the tale of two cities. I hope the rural non-utility service areas don't have to unfairly pay for the city services in the smaller lot areas with sewer, water, and gas. Township should have split and the north remained a township and the south become their own city or annexed by Duluth likely made more sense. Overall in that decision made solely by the township board, there should	10/16/2019 9:53 PM

145	Do not force us to have city water & sewer	10/12/2019 2:33 PM
146	Keep it country. Businesses are good but in designated areas only. Allow responsible ATV use in the city limits. All surrounding townships it is legal. Not to mention people are doing it anyway. Have your own identity about these issues. Dont follow what Duluth does. They are not exactly a model to follow.	10/12/2019 12:39 PM
147	Lower the dam taxes and quit be so tough on the permits to build stuff.	10/12/2019 11:29 AM
148	Rice Lake has tremendous opportunity with the challenges our neighboring communities have. The Rice Lake corridor has so much potential and the City could rival Hermantown for retail and housing development.	10/12/2019 11:22 AM
149	Keep it rural!	10/12/2019 11:12 AM
150	The mayor always writes in the news letter about all the things we can't do now we are a city. The very reason no one wanted to be a city. This needs to stop. In the future we need a new, happier mayor. Also since we are a city now water and sewer and natural gas services needs to expand.	10/12/2019 10:27 AM
151	Rice lake is a wonderful place to live. However, I think many things can be improved and I see Rice Lake growing significantly in the next 20 years. I feel the mentality of a rural community needs to change and adopt a more progressive approach to small business and residential housing. Bringing in more tax revenue from the aforementioned initiatives will only serve to help the community and make rice lake an even more enjoyable place to liveJon Engel	10/12/2019 10:14 AM
152	In my humble opinion we probably have a deep divide between two segments of the population on growth. The more rural residents want to remain rural and not have any freedoms changed. The commercial and southern more "city" residents would like to see more of the same. I would recommend the growth of the city be along those lines. Develop the commercial corridors, develop the southern side, leave the zoning on the middle and northern side more rural.	10/12/2019 10:09 AM
153	Connected through Rural Living and Sustainability where all levels of economics are welcome.	10/11/2019 10:29 AM
154	Keep rural, eliminated 800 sq feet for housing, allow guest house on property hooked up to existing utilities. Stop spending our tax money. There is LGA our taxes should not be going up year after year!	10/10/2019 9:25 AM
155	Commercial Corridor should be between the Ridgeview Rd and no further north than the W. Tischer Road. no Commercial growth west of 2nd ave, on the E Calvary Rd.	10/8/2019 4:52 PM
156	Good internet, water and sewer, Duluth has lots of waste, please dont start adding things we dont need aquariums, tennis courts, bus services that usually only have 3-5 people on them, and some of them dont even pay the fare.	10/3/2019 7:35 AM
157	It would be nice to have a couple more small stores close to the residents. I don't think apartments are needed as rice lake area is a lot of residential housing which is nice to live in. It would be beneficial to fix rice lake road and either add stoplights by quick trip or a round about for traffic issues. The school needs more after school activities or clubs for kids to join. A larger park area would be nice with updated equipment for the kids and maybe another fast food restaurant or restaurant to have more food options.	10/2/2019 5:45 PM
158	I think expanding the number of businesses in Rice Lake to support the expanding community would be beneficial.	10/2/2019 3:44 PM

161	Keep it rural. Reliable roads. More trails. Make the park dog friendly. Support small businesses and new small business growth.	9/27/2019 4:43 PM
162	We recently moved to Rice Lake from the Lakeside neighborhood in Duluth. While we love the area, particularly the peace & quiet, the hardest adjustment has been the lack of public trails and other public spaces. We enjoy our own property and walk our gravel road often, but are still working to find additional trails and other outdoor spaces close by to visit.	9/27/2019 1:00 PM
163	I would like to see improvement in the park the playground equipment is aging and may become unsafe	9/27/2019 9:20 AM
164	Improvement of East Calvary Business District appearance - some form of games - bocce court, horseshoe, etc	9/26/2019 9:43 PM
165	Clean up all abandoned houses. Lawns mowed and all junk, garbage and debris cleaned up. Assisted living for senior citizens, more daycare centers. Community safe places for kids. I would love to see bike lanes for sure, I just started bike riding again after many years and am nervous riding in the dirt on the edge of the roads until I get to the Rice Lake and Martin Rd, would be great for walking too. I want to see the house on W Tischer Rd previously owned by Jeff Rose tore down. It has been known to be used as a Meth house. All the basement windows have been left open over the past years. Racoons and skunks have been more numerous coming from that area.	9/26/2019 9:07 PM
166	More commercial development to shift tax burden from home owner to businesses	9/26/2019 8:46 AM
L67	Focus on expanded infrastructure as affordable. Business and housing will follow.	9/25/2019 9:35 PM
168	Keep our city rural. We dont want another Duluth. Encourage citizens to have animals and gardens to be self sustaining.	9/25/2019 9:10 PM
169	I don't think the city should try to be the next Hermantown, some locally owned businesses is good but should stay rural residental	9/25/2019 8:40 PM
170	Better access to internet. More police protection/presence. Have people clean up yards, fix houses. Get rid of the drugs and drug houses.	9/25/2019 3:03 PM
71	Keep taxes low, let it grow at a slow pace	9/25/2019 2:54 PM
172	Question 20 was not clear on what was asked. High speed internet is a huge concern especially if the City wants to attract younger families. Figuring out a way to not have City residents having to pay an upcharge from the City of Duluth for water, sewer and gas services. Also the City of Rice Lake needs to do a better job keeping the community in the loop. I live on W Austin Street and road construction has been ongoing since May with no update letters being sent to residents on or near Chicago Ave - which has been closed for 3 months. The City needs to start incentivizing businesses to move into the area. A fitness center, walgreens/pharmacy, and other home good/grocery store would be beneficial.	9/25/2019 1:31 PM
173	Go slow, I appreciate the rural setting, don't want busy streets, high rise apts.	9/25/2019 1:23 PM
174	ADD PUBLIC SEWERS TO SOUTHERN HALF OF CITY. SENIOR HOUSING AS MENTIONED. A CLEAN/QUIET MOSTLY BEDROOM COMMUNITY	9/25/2019 11:29 AM
175	Keep rural feel - many residents look to Rice Lake for acreage and privacy away from Duluth, yet close enough to commute and use services/retail.	9/25/2019 11:03 AM
