1	Stop trying to make a small city into a big issue! Allowing huge businesses and construction companies In are polluting our air, our water! Think of our streams that lead into Lake Superior! Is all runs into a greater problem. You big corporate Money is not worth our health!!	5/19/2020 9:38 PM
2	I think most people I know are concerned about overdevelopment and increased government restrictions. We want privacy, land, lower taxes and fewer hassels when it comes to home businesses, pet, livestock, animal husbandry and ownership. Businesses in Woodland, Kenwood and on Rice Lake road are fine. We do not need high rises, apartments and business developments destroying our way of life. Government control and growth is not always a positive. There are plenty of parks and trails and outdoor activities within driving distance. We do not need more "public spaces" costing more tax dollars.	5/15/2020 4:28 PM
3	stop fighting those who have a vision of bringing business to the area or looking to improve buildings, sites areas, the City board seems to only use the elected seat for their own personal gain or vendetta.	4/29/2020 10:21 AM
4	residential growth but keep the rural friendly atmosphere and protect our beautiful Northwoods.	4/26/2020 11:20 AM
5	Something needs to be done about the ever increasing cost for basic water and sewer services. Something is wrong when a monthly bill runs almost \$100 for two people who spend most of their waking hours at work. I know the City of Duluth sets the water rate but why is the services charges so high. I couldn't imagine what a family a family of four spends on their utilities. This should be address as part of the housing issue. It's one thing to have 'affordable' housing without considering the tax burden plus the burden of utilities.	4/13/2020 1:57 PM
6	I see it staying about the same	3/30/2020 8:43 PM
7	If th3 tax structure is not addressed I see people relocation. I know I am looking into it right now. Every year my taxes skyrocket and I get nothing out of them from the City. It is costing me over \$300 per month is property taxes alone. I can move a few miles and pay less than 1/2 of that. I have had many discussions with people looking to buy homes in the area and nor one has decided to purchase in Rice Lake due to the excessive tax structure coupled with the lack of services received. When I cam my taxes were about \$600 per year. Now they are nearing \$4000, We are receiving nothing for the excessive tax rate. The county is even providing the police services. You even raised the license fees for having a dog. Think about it!!	3/25/2020 9:58 PM
8	This is a great place to live and I hope that it only improves in the future	3/24/2020 5:42 PM
9	A city resilient to a changing climate. Developed green and blue infrastructure. A city that leverages partnerships with neighboring communities, universities, agencies and NGOs. Reduce the amount of lot fill for development. Preserve and protect wetland and stream resources within the city. Smart use of county tax forfeit lands for development or green space.	3/19/2020 8:45 PM
10	Faster internet!	3/14/2020 5:58 PM
11	Would be great to have more city water and sewer and more paved roads where possible. Having a multi sports complex in the City would be great and attract visitors - maybe because of that a hotel or additional restaurant.	3/14/2020 12:41 AM
12	Taxes are ridiculously high. We are thinking of moving within the next 3 years because of this.	3/13/2020 10:01 AM
13	Improve roads and internet	3/7/2020 10:05 AM
14	People move to Rice Lake to be out of the city. I fear you want to develop & if that happens I will leave. I'd like to see you promote solar and wind energy with rebates to residents. I'd like you to address homes that should be condemned as they are bringing down home values in those neighborhoods. I'd like the city to promote tree planting as a way to address CO2 & encourage citizens to do so by offering free or cheap trees. I'd like the city to be prepared for climate changes.	3/6/2020 3:26 PM

23	Quality rural living in a residential community where when you are home you know you are away from the congestion, noise and lights from the City of Duluth and Hermantown are not in your community. Where like minded nieghbors support peace and quiet unobstructed from City living. Where your nighbors have an appreciation of rural life styles including farming, gardening and being able to be self sustaining.	2/27/2020 5:26 PM

30	I would like to see the city improve infrastructure, not just the municipal buildings and personal agendas of the board. Since incorporating ditch mowing, snow plowing, and general road maintenance has dramatically decreased. Nothing seems to have been done to improve technology such as internet or cell service, yet property taxes (by way of increased "property values") has continued to increase each year. The only improvements I see are to the owned buildings and parking lots of the city. It is great to have kwik trip in the area, which saves many additional trips to town, and provides options the local small places I would prefer to support just didn't offer. Hopefully it will attract other business, restaurants, and businesses to considering moving outside of Duluth or Hermantown to help pay the costs for improving the infrastructure. Rice lake road and Martin road need to be expanded to attract these businesses and make the commute safer and quicker.	2/11/2020 8:38 AM
31	Definite walking trails or sidewalks; Senior housing.	2/10/2020 2:42 PM
32	Change will come for certain. Plan now in a size that will be large enough to handle the change.	2/10/2020 2:28 PM
33	A few more restaurants/fast food. Qcare or Urgent care	2/9/2020 1:53 PM
34	It would be appreciated by the residents in rice lake to be informed when there are major things being voted on. Not all of us can make it to the weekly meetings. One example is hiring a sheriff we didn't need and now costing us a lage amount of money we could have used elsewhere. We like the city as it is, and was our township. Avoiding the annexation was the reason for becoming a "city", we like our country life and community now, that is why we live here. Not growth by apartments, businesses ect. Our taxes are high enough	2/9/2020 12:57 PM
35	Road repairs and improvements	2/9/2020 9:13 AM
36	Rice lake needs to stop spending money on frivolous items like you doing currently doing You replaced Gary with three people Not cost effective The work just drives around in circles most days Is rice lake better than before Gary no!	2/8/2020 5:35 PM
37	Been here ten years and love it! Thank you all for building such a wonderful community!	2/8/2020 12:53 PM
38	I would like to see some more businesses out here. I am not sure what most people would be looking for, since most things I would on just a quick trip, are close. While it's not located in Rice Lake, I am close to Woodland and Kenwood areas. That provides banking, pharmacy, grocery, take out and sit down restaurants. I am sure that these are things people may be looking for within our city as well.	2/8/2020 11:42 AM

Add walkable restaurant and small business options near Howard Gnesen/East Calvary (grocery, hardware, convenience) 4. Increase hiking trail access 5. Increase public transit access Don't want to be expensive like Hermantown, nor too urban.	2/5/2020 5:53 PM

53	I believe there should be another option for internet service in the city of Rice Lake. I would also like to see better parks, community buildings, and options for alternative transportation like hiking, and biking.	2/4/2020 7:41 PM
54	Great job with snow removal. Looking at budget in flyer, I noticed that there were grants from city and county sources. Why not federal? Infrastructure is key. Roads are in tough shape. Other than arrowhead transportation, DTA would be good to coordinate with to extend routes. Develop a buy back program to encourage junk removed from properties. I think a farmers market is an excellent idea	2/4/2020 12:00 PM
55	Look forward to seeing the city grow. While city sewer and water would be nice I'm concerned about the cost and how to afford it. Internet service is our first need, getting 2.5 to maybe 5 mbs in today's world is very poor. I would appreciate closer shopping opportunities especially grocery items.	2/4/2020 11:19 AM

57	Stay away from public housing!	2/4/2020 10:18 AM
58	Larger lot size is important. People live in Rice Lake so that they are not right on top of their neighbor. Expanding infrastructure (internet, public sewer and water, paved roads) are important for the future of the city.	2/4/2020 8:38 AM
59	Need high speed internet and natural gas run throughout the city in the next five years.	2/4/2020 7:46 AM
60	I bought my house in Rice Lake because of the gravel roads, trees, large lots, no public utilities and proximity to Duluth. Please plan the city for working families that can afford their own homes and their own cars. Please restrict Industrial Sprawl and keep the houses spread apart.	2/4/2020 6:31 AM
61	City sewer but it should not take 20 years	2/3/2020 3:46 PM
62	I am happy with the size and amenities we currently have in Rice Lake. I hope we stay rural and small. I feel people who are looking to build would consider Rice Lake. One issue we have	2/3/2020 3:07 PM

	is the unsightly junk piles of accumulated cars/implement some people have. This unfortunately is an eye sore. I grew up in rural Minnesota and local communities created mandates with time tables on these issues. An organized cleanup ordinance with some assistance to those who can't afford a major clean up would be welcome.	
63	Affordability, attracting all age groups, catering to all walks of life - young & old - making the City "A Place to Call Home"	2/3/2020 2:48 PM
64	For myself I would hate to see our city turn in to the next Hermantown. I like our slow pace and rural setting without a lot of government intrusion. I do not need to be on Duluth's sewage treatment system or water supply. If it were up to me I would leave things be the way they are. By the way, we use Century Link for our internet provider. It is wireless and fast enough to run multiple devices without buffering. It costs about \$60/month.	2/3/2020 1:17 PM
65	It would be nice to have some commercial property in the city, but it would need to compete with places in Duluth and Hermantown.	2/3/2020 12:56 PM
66	I would like to see Rice Lake develop slowly and keep the taxes down unlike our neighbor Hermantown.	2/3/2020 11:23 AM
67	Start with a solid foundation. Hire a "good" grant writer to help bring in funds for city needs. Communicate "1" place for residence to find out information - City Website, newsletter that refers back to the city website. Social media should also refer back to the city website etc. Set the Cities zoning sites. Begin to identify areas of land that are available for the building based on the zoning, i.e. residential, industrial, townhome/apartments. Layout the existing policies is there enough personnel to enforce these. i.e. junkyards (clean up the look of our city). How do other cities deal with this, we don't have to start from scratch. Be transparent with building permit requirements and timing for zoning areas. Start marketing available sites.	2/3/2020 10:50 AM
68	Now that we are a city , don't get carried away with upgrades by trying to be like the big boys . Realestate taxes are my biggest concern with living here , mine are very high now and increasing at a very fast rate . Somehow costs need to be lowered not raised	2/3/2020 6:30 AM
69	If it ain't broke, don't try to fix it. Affordable housing always leads to worse problems that require more public spending for law enforcement and social services.	2/2/2020 5:21 PM
70	Good luck.	2/2/2020 3:13 PM
71	- I purchase items like appliances and home goods in Hermantown - neither close to home or work Having better options for grocery would be nice, like a bigger farmers market, deli or bakery. We currently drive to Mount Royal or the Coop for much of our grocery I really miss having sidewalks and streetlights for walks in the neighborhood. Arnold road and calvary are a death trap for walkers/bikers I'm really excited for boomtown to open!!! - We are very concerned about Homecroft school area being re-located from East highschool to Denfeld. We will move or send our kid to other school options (Marshall/Edison) over driving/bussing all the way across town to Denfeld We wish there were more ways to meet the neighbors in this area. We've met 2 neighbors in the 3 years of living hereNextdoor neighbor is somewhat helpful for that feeling of safety and connectivity. Thanks! Mostly we love our little house in the woods here.	2/2/2020 2:56 PM
72	Maintain small town and rural nature of the city.	2/2/2020 1:48 PM
73	Get rid of dog licenses. It's an unneeded tax.	2/2/2020 10:13 AM
74	Really hoping we don't turn Rice lake road into a hermantown road full of ugly commercial buildings. We didn't want to live in Hermantown, we wanted to be where it's quiet.	2/2/2020 9:35 AM
75	Things are great the way they are. If it works dont "fix" it.	2/2/2020 8:14 AM

78	Please don't make this great community the next Hermantown. The taxes are sprawl destroy the community's essence if you do. Understand the beauty of our cool community. Not many like it anymore. It's a great and simple value.	2/1/2020 9:51 PM

83	Keep Rice lake a safe and clean place to live mostly residential.	2/1/2020 3:56 PM
84	Just let us live our country life. Quit trying to force "city" stuff on us. Keep up the roads and normal government things. We don't need bike lanes etc etc, don't try to force more people into our city, let people buy and build naturally.	2/1/2020 2:14 PM
85	Keep much of Rice Lake as rural as possible. Woodland and Rice Lake Rd. Could be for more business. Help clean up the drug activity that is a high problem in our area.	2/1/2020 11:44 AM
86	Get decent internet service that won't cost too much for retirees. Keep the rural quality of life and limit commercial development. People move out to this area to get away from commercial development and want quality air and water.	2/1/2020 11:38 AM
87	Compete with Duluth in residential home building by making it easier for a young couple to purchase land and build a reasonably priced home.	2/1/2020 10:38 AM

89	Be smart. Dont get sucked into media politics. We own a gem. Beware of the social aggendas to change it	1/29/2020 7:05 PM
90	I think that Rice Lake is declining. There really isn't much to do, the jobs are mostly part-time and don't pay enough to match the housing costs. This is more of an issue for private landlords, however. I think there needs to be more affordable housing options available in this area. I think there should be more areas to walk and exercise to supplement community health.	1/29/2020 6:40 PM
91	Healthcare clinic	1/29/2020 7:39 AM
92	Rather than blame citizens for not attending meetings, break the silence by putting it all out there, RI newspaper, Facebook, the neighborhood site, agenda items etc. Etc especially issues that the citizens would have a concern for. Long history of not sharing when there are so many ways to share info. The entire community shouldn't have to attend meetings to learn about there city's goals. Ex. Hiring a police officer? Believe me. If something of concern comes up, people will come. Shouldn't find out after the fact	1/28/2020 9:55 PM
93	Please keep our community small. We live out here because we wanted a rural community. We want to live next to neighborhoods who own their property, not rent. To build we should require 10 acres.	1/28/2020 8:19 PM
94	I do not want growth, I moved out to Rice Lake for peace, quiet & privacy. If I want something, I will drive into Duluth. I will be very upset if more development moves down (north) Rice Lake road!	1/28/2020 5:56 PM
95	We need to figure out how to stop the boundary lines from changing!!! Or start a middle school and high school. Rice Lake Wolves? Or Yeti's?	1/28/2020 3:55 PM
96	I would love to have more businesses so we don't have to leave the area once we come home. It would be nice to have area restaurants that are closer. Would love more activities for kids as well.	1/28/2020 2:27 PM

101	Please suppress to temptation to grow dramatically. Keep minimal parcel size at 5 acres where possible. Remain vigilant about issues with ISD 709. They will continue to present major threats to Rice Lake property values.	1/15/2020 10:09 AM

102	I grew up in Rice Lake, where you knew your neighbors and the city left you alone. I want to raise my children here, but the increase in large business and bus lines will bring in less than ideal people and make our community less and less safe. I don't want to live in a large city which is why I chose to buy my home here and raise my kids here. Keep it small and simple. our property taxes have gone up \$1200 in 4 years. if things keep going we will be forced to sell our house and move further out to gnesen or normanna.	1/8/2020 2:16 PM

105	I believe people move out of Duluth to Rice Lake for privacy, peacefulness and low crime for the safety of their family. If Rice Lake starts to expand, they need to be prepared what comes with that and people moving outside of the city if overcrowding and crime starts to move in.	12/17/2019 1:16 PM
106	Not to over crowd our community. Do something about the drug problem.	12/10/2019 10:46 AM
107	I am excited to see Rice Lake grow its retail and/or industrial sectors. We have a lot of space to capitalize on and can draw a lot of interest from new visitors and residents by expanding those areas.	12/9/2019 4:23 PM
108	I am happy living in a small community. I recognize the need for housing and other amenities but I am not in a hurry for Rice Lake to grow for growth's sake.	12/9/2019 2:50 PM
109	Rural, uncongested, family centered not business centric. Keep development out if Rice Lake. Why do you keep pushing residential rural living out further. Development always increases taxes.	12/9/2019 1:40 PM
110	If we wanted to live in a city, we would have bought a home in Duluth. We didn't and don't. We have lived in Rice Lake since 1987 at two different locations. The house we live in now we had built in 2001. Our property tax bill next year with be \$6,300. What will it be in 20 years if Rice Lake adopts a comprehensive plan?	12/8/2019 8:07 AM
111	Rice Lake is a great, family oriented place to live. We should focus on replacing our aging infrastructure while updating and keeping our city technologically relevant, preserving our parks and public recreational lands, and keeping the small town appeal our city provides. We have the luxury of living so close to Duluth, Hermantown, and Superior which provides many options for retail and services. There should be some focus on enticing some retail and services, however we should be mindful not to lose our small town identity, rural living as well as our parks and recreational public lands.	12/3/2019 9:18 AM
112	Maintain the rural quality of life, generate revenue through improvement and growth of the commercial corridors (East Cav and Rice Lake Road especially by Martin Road and south), enforce and improve rules and regulations regarding unpermitted junk yards, develop a forest fire mitigation and response plan.	12/2/2019 10:39 AM
113	don't over regulate what you can do on your own property. expand public water and internet service for home business and home owners	12/1/2019 6:30 PM
114	Encourage growth that brings in revenue. Absolutely avoid adding tax burden with unnecessary services or costly social engineering programs/projects	12/1/2019 7:02 AM
115	We enjoy the ruralness of living in Rice lake and hope the majority of the city can stay that way.	11/30/2019 6:08 PM
116	Develop more walking/ski trails. Improve culverts to direct water flow.	11/27/2019 3:08 PM
117	We need to have sustainable taxes and internet capabilities to draw additional business	11/24/2019 1:56 PM
118	Upgrade internet, build/upgrade park, local school, low income/assisted living apartments	11/13/2019 1:59 PM
119	FOLLOW CITY OF HERMANTOWN "PRO GROWTH"	11/11/2019 1:07 PM
120	I think those managing the affairs of the City are doing a great job, however I don't want the property tax increases force me out of the home I have lived in for 45 years. I also would like to see more control of what residents can do on their property. To many shipping containers moving on properties and those portable canvas canopy garages. Are there regulations for the amount of piles of dirt that can be hauled in on properties. Lots of eye sores of this type, properties with a lot of vehicles, ie: off road trucks etc. How does the City regulate this type of activity.	11/10/2019 3:28 PM

124	Rural community. Large parcel size. Ability to view the stars at night without interference from commercial and industrial light growth. A community center where family activities are frequent. Low traffic congestion. Residential neighborhoods without business growth.	11/4/2019 12:45 PM

130	That high speed internet would be available- currently using very slow satellite internet. Would be awesome to have more bike lanes, COGGS bike trails going north, and a fitness center/community center with pool and a hockey rink- perhaps Rice Lake's own youth team. Currently takes 25 minutes to get to either downtown YMCA or Hermantown YMCA. 1 hour just to get there and back home is too long when you have a young family.	10/24/2019 12:48 PM

135	My future vision is for all residents to take pride in their homes and yards. So many are shabby looking and disheveled. Residents definitely need to clean up their trashy places and stop bringing junk home to display to everyone driving by.	10/21/2019 3:13 PM
136	Do not want to live in large city with high taxes	10/21/2019 12:57 PM
137	Small housing, guest housing, farm/rural, less regulations. Do not want to be another Hermantown.	10/21/2019 11:25 AM
138	Rice Lake needs to make their residents clean up their yards and property. Too many of them look like a dump site, especially some along the Tischer Road and the Arnold Road.	10/21/2019 6:44 AM
139	The junk yard located at 5561 Arnold Road absolutely needs to be cleaned up. It is an eye sore and an environmental danger. In addition, it's bringing down the property value of everyone who has the misfortune of living next to, or across from, the garbage dump they call a yard. Please do whatever is necessary to make the homeowner clean it up!	10/20/2019 5:30 PM
140	Need to clean up all the private dumps in city.	10/20/2019 12:32 PM
141	We live here because of the rural community. We love our neighbors but like the space and freedom more land and fewer houses provide. I would seriously consider moving out of this city if we built an apartment building. We do not need to bring city life and crime to this wonderful neighborhood. Renters do not treat the area as there own and give it respect like home owners do. Thank you for taking the time to ask your community what matters.	10/19/2019 9:29 PM
142	I would like to see it protect the farms existing and not overdevelop the land. I have seen Esko and Hermantown develop the old farms and there needs to be land available. Not just developments all over the place. People live out here to have a sense of country without being to far away from the city(mall area) yet still be able to have country living.	10/19/2019 9:31 AM

143	Hopefully larger shopping opportunities without as high a city sales tax, such as Duluth or Hermantown's city tax.	10/18/2019 12:17 PM
144	Simply put, use your COMOMN SENSE on Land Use, Natural Resources and generally Community Over Crowding. Be Friendly and not punishing and threatening as you are/were to my household. I fear for what our city leadership will do to the people next.	10/17/2019 5:20 PM
145	I don't see Rice Lake changing much due to the lack of developable land or affordable land. Tax base likely not big enough to do much for major changes. Rural large lot areas vary from the smaller lot areas with city services. Those differences will always make Rice Lake the tale of two cities. I hope the rural non-utility service areas don't have to unfairly pay for the city services in the smaller lot areas with sewer, water, and gas. Township should have split and the north remained a township and the south become their own city or annexed by Duluth likely made more sense. Overall in that decision made solely by the township board, there should have been a referendum where all citizen's of Rice Lake Township could have weighed in on annexation versus becoming a city versus splitting north and south. This survey here is good to provide citizens input,.I just wish a similar survey would have been done a few years ago where all people were able to weigh in and in a sense vote on the decision making. Yet overall becoming a city has meant very little to me but I do feel a bit offended that 3 elected officials made those decisions for all of us without an official town vote whether it had power or not. But overall it is fine to be a city yet I still feel like a township guy on a dirt road. All fine.	10/16/2019 9:53 PM
146	Protection and preservation of the wetlands that currently exist should be a top priority, the benefits are too numerous to list. Public transportation and electric vehicle charging stations will be in demand and should be given attention. We need to reduce carbon emissions and should be developing/expanding with an eye to reducing our impact. We also need to be preparing for human induced climate change- it's here and will impact us even more in the future. Planning and adapting will be required.	10/16/2019 9:18 PM
147	Look into encouraging some form of Manufacturing moving into City to bring in Jobs. Continue with improvements to roads, infrastructure as has been happening.	10/16/2019 7:53 AM
148	Affordable housing - \$1,000 a month for an apartment in the City of Rice Lake is not affordable.	10/15/2019 4:06 PM
149	Keeping the comfortable and relaxed atmosphere while maintaining community safety is an important priority. Also, an ordinance/ law about registered sex offenders living a minimum of a specific distance from public schools and/or public parks would alleviate some significant parental concerns. Thank you for your consideration of these matters.	10/14/2019 10:06 PM
150	Our taxes are so high an we get nothing, so we would appreciate some feedback as we have 19 lots, with the same concerns.	10/14/2019 8:55 PM
151	I understand the city needs tax revenue with businesses, as well as more homes but we moved out of Duluth to be in the country. However we will be taxed out of this city if they continue to rise as last year	10/14/2019 8:39 PM

154	In the next 20 years the city of Rice Lake should focus on maintaining the quiet country life and improving the safety of residents ability to enjoy nature by creating walking and biking trails.	10/13/2019 9:57 PM
155	Keep our regulations reasonable we have a good thing going now. We are I feel a city where people and business can feel like they are able to work and live. Without over regulation and excessive cost. That should be our city's mantra	10/13/2019 9:10 PM
156	Slow down and quit spending so much money as our taxes are skyrocketing.	10/13/2019 7:37 PM
157	Pave all dirt roads, convert to city water from well and city sewer from individual septic	10/13/2019 5:10 PM
158	I would like the city to have a plan to carefully grow the city without making it feel like a traditional suburb (with the small lots, "cookie cutter" housing developments, strip malls etc). And also well designed parks that aren't just expanses of mowed grass, but that leave lots of forest. I like the current quietness of the city without too much commercial development, and the large housing lots, and I hope we dont lose that.	10/13/2019 4:48 PM

164	Growth to commercial corridor is essential to maintain growth and give young people employment options so they are able to stay in the area.	10/13/2019 11:52 AM
165	***Access to public city water and public city sewer on the Kingston Rd. Restaurants and shopping center Craft and hobby stores. Affordable housing that isn't low income housing. More after school activities available to children and families.	10/12/2019 3:35 PM
166	I would really like access to city water and sewer on all of Kingston Road since its only three houses away!	10/12/2019 3:33 PM
167	Expand tax base with more commercial/retail sites. DO NOT go back to a full Police DepartmentSheriff's Providing Patrol option is the most cost effective way.	10/12/2019 3:13 PM
168	Do not force us to have city water & sewer	10/12/2019 2:33 PM
169	Keep it country. Businesses are good but in designated areas only. Allow responsible ATV use in the city limits. All surrounding townships it is legal. Not to mention people are doing it anyway. Have your own identity about these issues. Dont follow what Duluth does. They are not exactly a model to follow.	10/12/2019 12:39 PM
170	Lower the dam taxes and quit be so tough on the permits to build stuff.	10/12/2019 11:29 AM
171	Rice Lake has tremendous opportunity with the challenges our neighboring communities have. The Rice Lake corridor has so much potential and the City could rival Hermantown for retail and housing development.	10/12/2019 11:22 AM
172	Keep it rural!	10/12/2019 11:12 AM
173	The mayor always writes in the news letter about all the things we can't do now we are a city. The very reason no one wanted to be a city. This needs to stop. In the future we need a new, happier mayor. Also since we are a city now water and sewer and natural gas services needs to expand.	10/12/2019 10:27 AM
174	Rice lake is a wonderful place to live. However, I think many things can be improved and I see Rice Lake growing significantly in the next 20 years. I feel the mentality of a rural community needs to change and adopt a more progressive approach to small business and residential housing. Bringing in more tax revenue from the aforementioned initiatives will only serve to help the community and make rice lake an even more enjoyable place to liveJon Engel	10/12/2019 10:14 AM
175	In my humble opinion we probably have a deep divide between two segments of the population on growth. The more rural residents want to remain rural and not have any freedoms changed. The commercial and southern more "city" residents would like to see more of the same. I would recommend the growth of the city be along those lines. Develop the commercial corridors, develop the southern side, leave the zoning on the middle and northern side more rural.	10/12/2019 10:09 AM

177	Keep rural, eliminated 800 sq feet for housing, allow guest house on property hooked up to existing utilities. Stop spending our tax money. There is LGA our taxes should not be going up year after year!	10/10/2019 9:25 AM
178	Commercial Corridor should be between the Ridgeview Rd and no further north than the W. Tischer Road. no Commercial growth west of 2nd ave, on the E Calvary Rd.	10/8/2019 4:52 PM
179	Good internet, water and sewer, Duluth has lots of waste, please dont start adding things we dont need aquariums, tennis courts, bus services that usually only have 3-5 people on them, and some of them dont even pay the fare.	10/3/2019 7:35 AM
180	It would be nice to have a couple more small stores close to the residents. I don't think apartments are needed as rice lake area is a lot of residential housing which is nice to live in. 183	I encourage the expansion of commercial development opportunities as well as housing opportunities. I also would like to see emergency services (Police and Fire) continue to expand as the city grows.	9/30/2019 3:52 PM
184	Keep it rural. Reliable roads. More trails. Make the park dog friendly. Support small businesses and new small business growth.	9/27/2019 4:43 PM
185	We recently moved to Rice Lake from the Lakeside neighborhood in Duluth. While we love the area, particularly the peace & quiet, the hardest adjustment has been the lack of public trails and other public spaces. We enjoy our own property and walk our gravel road often, but are still working to find additional trails and other outdoor spaces close by to visit.	9/27/2019 1:00 PM

188	Clean up all abandoned houses. Lawns mowed and all junk, garbage and debris cleaned up. Assisted living for senior citizens, more daycare centers. Community safe places for kids. I would love to see bike lanes for sure, I just started bike riding again after many years and am nervous riding in the dirt on the edge of the roads until I get to the Rice Lake and Martin Rd, would be great for walking too. I want to see the house on W Tischer Rd previously owned by Jeff Rose tore down. It has been known to be used as a Meth house. All the basement windows have been left open over the past years. Racoons and skunks have been more numerous coming from that area.	9/26/2019 9:07 PM
189	More commercial development to shift tax burden from home owner to businesses	9/26/2019 8:46 AM

191	Keep our city rural. We dont want another Duluth. Encourage citizens to have animals and gardens to be self sustaining.	9/25/2019 9:10 PM
192	I don't think the city should try to be the next Hermantown, some locally owned businesses is good but should stay rural residental	9/25/2019 8:40 PM
193	Better access to internet. More police protection/presence. Have people clean up yards, fix houses. Get rid of the drugs and drug houses.	9/25/2019 3:03 PM
194	Keep taxes low, let it grow at a slow pace	9/25/2019 2:54 PM
195	Question 20 was not clear on what was asked. High speed internet is a huge concern especially if the City wants to attract younger families. Figuring out a way to not have City residents having to pay an upcharge from the City of Duluth for water, sewer and gas services. Also the City of Rice Lake needs to do a better job keeping the community in the loop. I live on W Austin Street and road construction has been ongoing since May with no update letters being sent to residents on or near Chicago Ave - which has been closed for 3 months. The City needs to start incentivizing businesses to move into the area. A fitness center, walgreens/pharmacy, and other home good/grocery store would be beneficial.	9/25/2019 1:31 PM
196	Go slow, I appreciate the rural setting, don't want busy streets, high rise apts.	9/25/2019 1:23 PM
