Dear Victor Lund,

Yesterday the Northeast Minnesota Area Transportation Partnership met yesterday and approved your project as recommended by the Transportation Alternatives Task Force for funding. The group passed the motion, and your project was awarded \$600,000 in TA funding for Fiscal Year 2028. An official letter will be sent via email and mail confirming this in the coming days. I just wanted to reach out and let you know that your project will be getting funded.

Upon receipt of your official letter, please connect with Jeffery Madill (jeff.madill@state.mn.us), Paige Holte (Paige.Holte@state.mn.us), and Derek Fredrickson (derek.fredrickson@state.mn.us) as soon as possible with information including:

- Request Project Number
- Concise Project Description
- Best Engineering Cost Estimates

Congratulations and best of luck with this important project!

Thanks,

Clayton Beck
