

## Southview Boulevard Improvement Project Construction Update – May 11, 2018

Construction is scheduled to begin on Monday, May 14, in the Phase 1, Stage 1 and Phase 1, Stage 2 areas identified in the map below and is anticipated to last until the end of July. This is in exception to 12th Ave to 14th Ave, which will begin at a later date. The project contractor (Park Construction) will typically be working 7 a.m. to 7 p.m. Monday through Friday, with some Saturday work.

### Access and Detour

During this time, the roadway will be closed to thru traffic but will remain open for residents and businesses to access their driveways. All north-south dead end intersections will also be maintained so residents and businesses may access their driveways. Access to individual driveways may be unavailable at times during working hours, but access will be restored each night. Traffic and transit stops will be detoured to Marie Ave during this time.

### Contacts

Our goal is to minimize inconveniences for all residents and business owners during this construction project, and we thank you in advance for your patience and cooperation. Additional project information can be found on the project website. If you have any questions or concerns during construction, please call the project hotline at **(612) 619-6284** or contact the project email at [southview@bolton-menk.com](mailto:southview@bolton-menk.com).

*Thank you for your continual patience and cooperation throughout the process of improving your street and utilities!*
