- Utility adjustments began

Week of October 15 Activity

- Wall construction will continue
- Sidewalk and landscaping work will continue
- Utility adjustments will continue
- Trees will be installed
- Fence installation will continue

Parking, Access, and Transit Information

During construction in a specific phase, the roadway will be closed to thru traffic but will remain open for residents and businesses to access their driveways. All north-south dead end intersections will also be maintained so residents and businesses may access their driveways. Access to individual driveways may be unavailable at times during working hours, but access will be restored each night. Access to businesses and driveways will remain open as much as possible from connecting side streets. **Traffic and transit stops** will be detoured to Marie Ave during this time.

Working Hours

The project contractor (Park Construction) will typically be working 7 a.m. to 7 p.m. Monday through Friday, with some Saturday work.

Thank you for your patience throughout this process! Be sure to sign up for email updates at the project website. If you have any concerns, please contact the project hotline listed below.
