

# PROJECT UPDATE

April 4, 2019

## Remaining punch list work to resume the week of April 8

Crews will be on site beginning the week of April 8 to finish remaining punch list work. This includes completing decorative walls, concrete boulevard staining, striping, cleanup work, and vegetation plantings. Punchlist work will begin with decorative wall work the week of April 8 and last 1-2 weeks. Other cleanup work will take place in late April, followed by vegetation planting in early May.
