

# PROJECT UPDATE

April 23, 2019

## Crews to finish remaining punch list work

Crews will be on site to install remaining concrete beginning Thursday, April 25. This work will last throughout next week. Areas with new concrete will be barricaded by the contractor. Concrete boulevard staining will also occur during this week and next week. Please avoid walking on areas that have been freshly stained.

Tree and other vegetation plantings will begin the week of April 29, followed by striping in mid-May.

*Thank you for your patience throughout this process! If you have any concerns, please contact the project hotline listed below.*
