

# Highway 5: Phase 2 Improvements

## PROJECT OVERVIEW

The City of Waconia is reconstructing Highway 5 between Olive Street and Main Street in 2027. This project aims to solve both safety and mobility issues by adding protected turn lanes, eliminating conflict points, and completing the extension of the trail system along Highway 5.

## GOALS

- ✓ Safer travel conditions for everyone
- ✓ Reduce conflict points
- ✓ Improve roadway capacity
- ✓ Continuous trail connection
- ✓ Finalize Highway 5 through the City

## SCHEDULE

- **2023:** Preliminary design scoping
- **2024:** Funding plans, Level 1 Layout Process
- **2025:** Right of Way Acquisition (9 - 12 months)
- **2025 - 2026:** Final Design (12 months)
- **June 30, 2026:** Federal Authorization
- **2026 - 2027:** Bid and Construction
