

CONSTRUCTION UPDATE

May 17, 2023

The Contractor for the Industrial Drive Service Road Reconstruction project is planning to begin paving the wear course layer of pavement on Tuesday, 5-23-2023. Traffic on **Industrial Drive Service Road will be interrupted during the paving process but will return to normal traffic when paving is completed.** Residents are asked to move their vehicles to the nearest side street before 7 AM Tuesday, May 23, 2023. If paving is not completed Tuesday, May 25th, 2023 we ask that your vehicle be moved to the nearest side street before 7 AM Wednesday, May 24th, 2023.

If the Contractor is not able to complete the paving of the wear course layer of pavement due to rain, the paving will occur on Wednesday, 05-24-2023.

We have completed our portion of the seeding on the project and ask that the homeowner starts watering the seeded area to help establish vegetation.

We apologize for any inconvenience this may cause you. Thank you for your patience and understanding throughout the improvement process!
