Overview

The City of Willmar is undertaking a construction project to improve the city streets and utilities on 20th Street SE. The project includes road construction, sanitary sewer improvements, water system improvements, and storm sewer improvements.

Project Timeline

The following is a tentative schedule for the construction in each project area:

- Sanitary Sewer to be constructed the week of June 2nd.
- Watermain construction to follow the week of June 9th.
- Storm Sewer and Street Construction to follow.
- Notices will be provided to businesses throughout the timeframe of the project.

Contacts

If you have any questions or concerns, please contact Dalton Lindstrand at the phone number or email listed on the left side of this notice.
