## PROJECT STATUS AND UPCOMING WORK

- For the week of August 5, expected work includes the following:
  - Watermain and storm sewer installation will continue working west on Fremont Lane.
  - Fremont Drive should be reopened with temporary gravel surfacing by Tuesday.
- Please see to the care of children and other vulnerable individuals during construction and be aware of the movement of construction equipment so that everyone will be safe while the work is being completed.
- The project will certainly create inconveniences and frustrations for residents, so we ask for your patience while work proceeds with this important project.
- Should you have any questions, please feel free to contact Kevin Bittner, City Engineer. His contact information is provided on the left-hand side.
