PROJECT STATUS AND UPCOMING WORK

- For the week of September 30, expected work includes the following:
 - Water service construction on Isle Road.
 - Storm Sewer construction on Isle Road and Terrace Drive.
 - Excavation and building of aggregate road base on Terrace Drive and Oak Street.
 - Shayne Imre is filling in for Al this week. If you have any on-site questions, you can contact him at 952-254-1276.
- We appreciate everyone's patience during this construction process.
- Please see to the care of children and other vulnerable individuals during construction and be aware of the movement of construction equipment so that everyone will be safe while the work is being completed.
- Should you have any questions, please feel free to contact Kevin Bittner, City Engineer.
