PROJECT STATUS AND UPCOMING WORK

- This will be the last newsletter on the project. The remaining work on the project consists of the following:
 - Completion of all driveway work.
 - Backfilling and grading work behind the curb.
 - Seeding and mulching behind the curb.
 - Sanitary sewer manhole lining.
- I know that there may be questions or concerns as the boulevard work is completed, so feel free to reach out to Al or Kevin with those.
- The assessment hearing is scheduled for November 18th at City Hall at 7:00 p.m. All property owners should have received a certified letter notifying you of the hearing and your proposed assessment.
- Thanks to everyone who so patiently endured the construction process over these past months. We know it wasn't easy.
- Should you have any questions, please feel free to contact Kevin Bittner, City Engineer.
