STAY INFORMED

Weekly updates on the project will be posted to the Bolton & Menk website at: www.clients.bolton-menk.com/zimmerman2020/ and on the City of Zimmerman website at: www.zimmerman.govoffice.com/.

If you wish to receive a direct email with the newsletter or have other questions, please contact City Engineer Kevin Bittner or City Administrator Randy Piasecki.

CURRENT WORK

Ongoing Work:

- Excavation and placement of aggregate base for street and sidewalk construction will be completed the week of June 1.

UPCOMING WORK

Anticipated Work for early June:

- Curb and Gutter and Sidewalk Construction is scheduled for the week of June 8th. You will be notified to remove your vehicles from your driveways (if they access the street) before the work begins.
- You will need to keep your vehicle on the street for approximately one week to allow the concrete to cure.
- If your driveway is to the alley, you will not need to remove your vehicles.

Construction can be an attractive nuisance. Please see to the safety of children and vulnerable individuals during construction.

Please contact City Engineer Kevin Bittner or Construction Project Representative Tim Haugo if you have any questions. Their contact information is provided in the margin.

Thank you for your patience as this project progresses!
