STAY INFORMED

Weekly updates on the project will be posted to the Bolton & Menk website at: tinyurl.com/Zimmerman-269

If you wish to receive a direct email with the newsletter, you may sign up for this also on the website.

PROJECT STATUS AND UPCOMING WORK

- Work on the project will begin on May 1 with clearing of trees within the right-of-way.
- Beginning the week of May 8, the existing pavement will be reclaimed (ground up) and left in place while construction progresses.
- Construction of the sanitary sewer will also begin the week of May 8.
- Construction of the underground utilities (sanitary sewer and watermain) will be ongoing through the end of June.
- The contractor will maintain access to your properties during construction but be prepared for interruptions while work progresses across your driveway. The contractor will notify you in advance when this will occur.
- The contractual completion date of the project is September 15. The contractor hopes to complete the work by early to mid-August, or about a month ahead of schedule.
- Construction activities can be an attraction for observation – please see to the care of small children and other vulnerable individuals during construction and be aware of the movement of construction equipment so that everyone will be safe until the work is completed.
- Should you have any questions, please feel free to contact Kevin Bittner, City Engineer. His contact information is provided on the left-hand side.

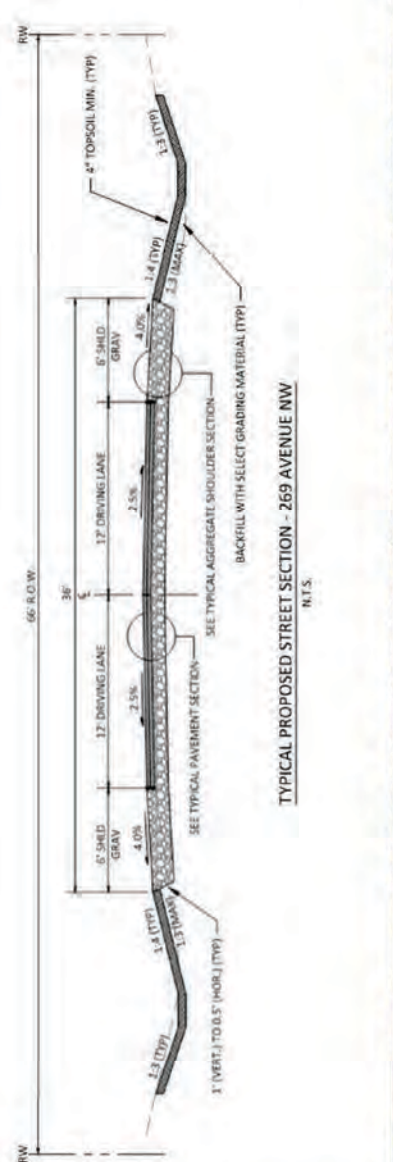

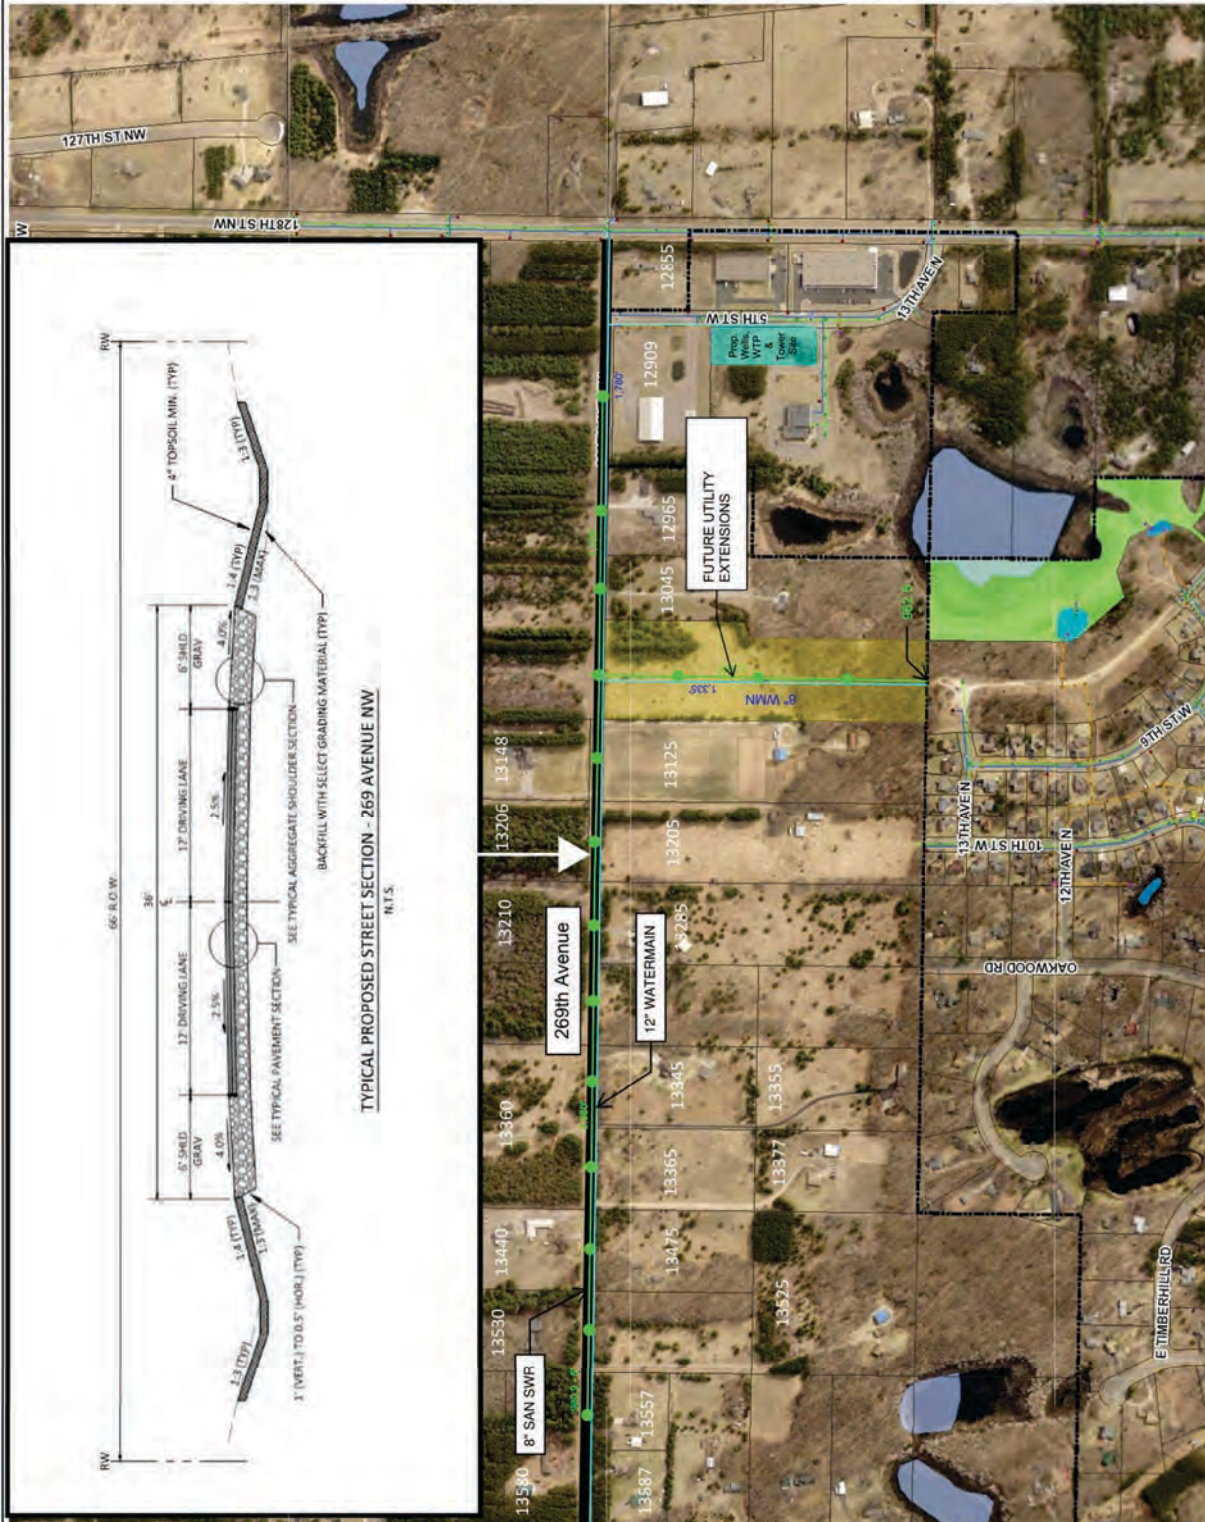

269th Avenue

Notation:
 The project engineer is solely responsible for the accuracy and is not intended to be used as other than showing a compilation of research, information, and data gathered from the field and other sources. The engineer shall be held responsible for any and all errors and omissions. The City of Zimmerman is not responsible for any inaccuracies herein contained.

Real People. Real Solutions.
