Weekly updates on the project will be posted to the Bolton & Menk website at: tinyurl.com/Zimmerman-269

If you wish to receive a direct email with the newsletter, you may sign up for this also on the website.

PROJECT STATUS AND UPCOMING WORK

- This week the contractor has completed grading of road ditches and placement of hydroseed. They have also been raising manhole castings and patching cut-out replacement areas.
- During the week of July 24, the contractor plans to prepare driveways for the paving of driveway aprons. They have also tentatively scheduled the paving of the final lift on the main roadway for Thursday.
- Following completion of paving, the work left to do would primarily consist of placing the aggregate shoulders.
- Please see to the care of children and other vulnerable individuals during construction and be aware of the movement of construction equipment while traveling so that everyone will be safe until the work is completed.
- Should you have any questions, please feel free to contact Kevin Bittner, City Engineer. His contact information is provided on the left-hand side.
